Corporation Report

First, let me say thank you to all those who have paid their dues for 1998. Your participation is sincerely appreciated. I would especially like to thank the following contributors, whose generous support was above the recommended amount: Lawrence B. Beer, '76; Thomas L. Bowers, '78; Ronald W. Greller, '74; James C. Herl, '69; Thomas E. Johnson, '39; Dino A. Pietromica, Jr., '93; Scott J. Satory, '95; Gerald L. Seizert, '75; Richard L. Springer, '52; Richard A. St. John, '63; Clifford Thoms; and Eugene Wehrle, '42.

For all of you who have not yet contributed your dues, I encourage you to do so. Your support is what makes possible such things as *The Red Door*, continuing to make Homecoming a free event and funding capital improvements for the house. As J.R. Hoppenjans '93 mentioned in his letter mailed to you earlier in March, the Alumni Board has been striving over the last several years to not only address the needs of the undergraduate chapter, but our Alumni as well. However we need your participation in order to do so.

I would also like to thank all of you who submitted your alumni information questionnaires. It was great to see all of the interesting information. Check out the alumni updates to see what some of your fellow alumni are up to.

Finally, thank you for all of your input and suggestions. They are comments well taken and we hope to continue

improving your Alumni Corporation. I hope to see all of you at the Golf Outing on August 15.

1998 Alumni-Active Golf Outing

Vice President-Alumni Operations

Here we are at beautiful Bedford Hills Golf Course on the last day of play for the Sig Ep Invitational. The story of the day is a young man from the class of 1986 ripping up the course on pace to shoot a 59. OK, so now I can wake up. Well Brothers, it's that time of year again. The Sig Ep Invitational will be held on August 15, 1998, at Bedford Hills Golf Course. Tee times start at 11:00 a.m., and we will use a scramble format. The cost for this year's Open is \$65.00 for those who have paid their alumni dues, \$100.00 for those who have not and \$65.00 for actives. And you ask: "What will I get for my money?" Well— 18 holes at Bedford Hills and a cart, hot dog/pop/chips at the turn and a steak dinner along with two drink tickets. There will also be prizes for the longest drive, closest to the pin and the longest putt. The Nowaks and Hormans will play each other in a family grudge match. **ATTENTION ALUMNI AND UNDERGRADUATES. THIS IS YOUR INVITATION TO PLAY IN THE OUTING. PLEASE CALL 419-475-2977 BEFORE AUGUST 3 TO MAKE YOUR RESERVATION.** You can pay the day of the Open or send your check to: Mike Borsos, 3218 Algonquin Pkwy., Toledo, OH 43606. Make your check payable to Ohio Iota Alumni Corporation. I hope that we can top last years number of 70 golfers. Looking forward to seeing all of you

Alumni Board Update

The Alumni Board has grown and become more active this year due in part to an increase in the number of Board members. There are now nine active Alumni Board members. This year the Alumni Board rewrote our by-laws to become more proactive and responsive. There are three officers to keep in contact with alumni and six members of the Alumni Board whose sole function is to be a mentor to the undergraduates. Although there have been great strides taken this past year, there is room to improve. We need your involvement. I would encourage all

local alumni to become involved with the Alumni Board. If you have an interest in developing the current actives while renewing your dedication to Sig Ep, contact J.R. at (419) 472-6874 or e-mail at jr.hoppenjans@benchmark-usa.com.

On a personal note as an alumnus from another chapter (Marist College-NY) becoming involved with the Ohio Iota Chapter, I have been reminded of what the Fraternity meant to me and encourage those who are not in the Toledo area to seek out a local chapter and become involved. The Fraternity is only as strong as our bond.

Undergraduate Update

Sig Eps continue to dominate the UT campus for the 3rd consecutive year. Sig Ep has been #1 on campus in manpower, academics and athletics. In addition, Sig Ep took first place at Songfest this past year. Our academic advisors efforts, along with strong alumni financial support and a well implemented Balanced Man Scholarship all contribute to this success. Our

next step towards excellence will be full implementation of the National's award winning Balanced Man Program. Stay tuned for more details.
