## McComas to address alumni, graduating seniors

Dr. James McComas, president - University of Toledo, will deliver the key note address for the Graduating Seniors Dinner scheduled for June 4, 1987, at the Toledo Club's Corinthian Room.

This year's event takes on a significant flavor as the seniors will receive their Ducal Crown during the festivities.

Cocktails will be served beginning at 6:00 p.m. with dinner and speeches beginning at 6:30 p.m. Cost for the dinner is \$16.00, and a cash bar will be available.

Many Alumni have expressed particular interest in this year's event, and according to Alumni President Tom Mandula, "no one should leave disappointed."

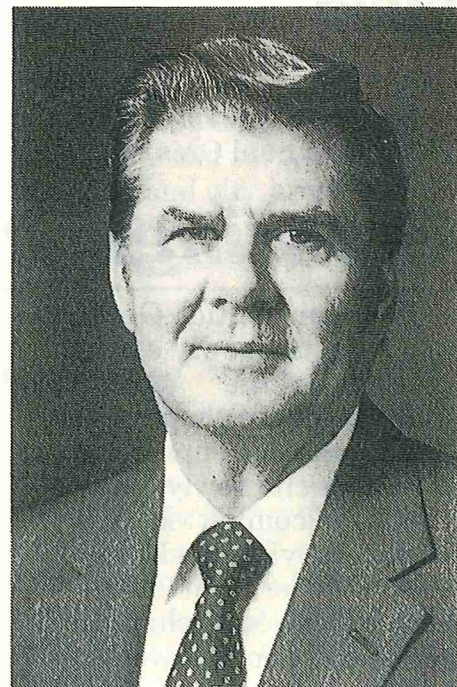

"It's an opportunity," according to Mandula, "for alumni to spend some time

together, an opportunity to welcome these graduating seniors into alumni status, and an excellent opportunity for all alumni to meet Dr. McComas."

Dr. McComas' speech will address "Life after College."

## Baseball Bus Binge

Crracck! Ah the sweet sound of baseball is back.

Sunday, May 17th (the day after Songfest), the Ohio Iota Chapter Alumni will sponsor the first annual "Baseball Bus Binge" to Tiger Stadium. The 1984 World Champion Detroit Tigers play host to the up-and-coming Cleveland Indians.

Luxury buses will whisk the Ohio Iota group to scenic Detroit for the 1:30 p.m. first pitch. Cold, foamy refreshments will greet all excursion members as they arrive for the 11:30 a.m. departure. Alumni members are encouraged to arrive early to meet the brothers of the active chapter and their parents. Post songfest activities include Sunday's Parents Club Picnic.

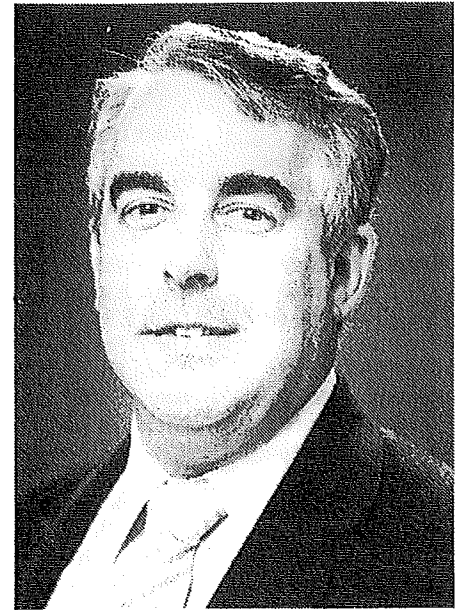

The "Binge" price of \$20 covers the cost of the Greyhound bus, your ticket and cool, foamy refreshments. Seating is limited. Call Mike Harrison (389-0093) or Jim Dunwoodie (536-9503) to reserve your seat.

capacity in area 6 - Pennsylvania and area 16 - Indiana districts, respectfully.

According to the National Chapter Office, the district governor's position is "reserved for distinguished alumni who represent the high ideals of the Fraternity and have demonstrated an interest in furthering its goals."

St. John was appointed by the National Board of Directors for a four-year term. He becomes a voting member of the Grand Chapter and is the designated representative of the Fraternity in his district. The Ohio Iota Brother is expected to participate in ceremonial occasions, undertake special assignments, and be knowledgeable of chapter operation in his district.

Currently, St. John is principle of McTigue Junior High School in Toledo and also lectures in journalism for the Department of Communications - University of Toledo. His list of honors and activities number almost

two dozen; Sigma Phi Epsilon highlights include: Clifford B. Scott Scholarship Key, Ohio Iota Chapter Service Award, Distinguished Alumni Award, and Alumni Advisor and Chapter Counselor - Ohio Iota. During his undergraduate years, St. John served as president and vice president of the Ohio Iota Chapter and was voted Outstanding Senior Active.

## Active chapter seeks fundraiser

Hello, my name is Russ Karbon and I am the newly appointed fundraising chairman for the undergraduate chapter. The chapter is looking for large scale work projects for five to 30 brothers. Work projects could include anything such as painting, cleaning, yardcare, or any other project you feel

an enthusiastic group of Sig Eps could tackle. We would be able to provide quality labor, and all we ask is that you provide us with a much needed fundraiser.

Please feel free to contact me at any time if you require any of the above services, or just have additional ideas. Phone: 536-7150.

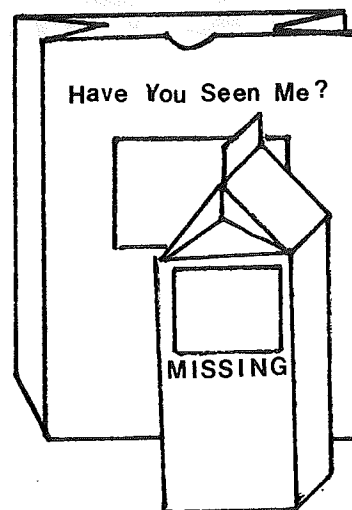

# Lost Brother Campaign may turn to milk cartons and shopping bags

One of the most frequent complaints I have heard over the past several years is that we seem to lose someone's address and they are not getting our current mailings. The Alumni Association has made a commitment this past year to spend the time and money to update our mailing list.

To achieve this we need your help! Included in this issue is a list of brothers for whom we have no current address. This was obtained from the post office following our Fall 1986 mailing. If you have contact with any of these Brothers, or know any current address, please contact us using the enclosed alumni shorts card, or give any of the officers a call.

We are a highly mobile Alumni, and only by helping each other can we all stay in touch!

Fraternally,  
Tom Mandula

Toledo Area Alumni Association

## Divots, drivers and duffers: wear your plaid

Spuyten Duyval will host the 9th Annual Ohio Iota Golf

Outing on August 29, 1987, at Noon.

Though Jack Nicklaus, Tom Watson and former great Arnold Palmer have bowed out of this year's "competition", "Crooked Shaft" Tom Nichols ('81), "Soft Putter" Bill Dunwoodie ('85), and "Maxi Flite" Mike Mathews ('83) will vie for this

years honor, among others.

The 18-hole round will cost \$10.50. Ohio Iota Alumni will furnish a beer cart (beer is free); pull or power carts are extra.

A future mailing is planned later this summer. If you are interested contact Matt Jank at 474-9371.

*Its not the score, but the brotherhood that counts.*

## Greetings from 3530 Dorr Street

My name is Rick Garand, and I am the newly elected president of the undergraduate chapter. I'd like to take this opportunity to introduce the newly elected executive committee: Gus Urdaneta, vice president; Troy Weyher, controller; Chuck Bosworth, chapter secretary; Jim Dunwoodie, alumni operations director; and Moussa Salloukh, house manager. This is a fine group of people and we are looking forward to an excellent year.

We have undergone several

major changes recently. The most significant of these, dry rush, has greatly altered the way we operate in terms of rush. However, we have adapted quite well. In fact, we recently received an award as the most outstanding rush program in the region.

Another item, the elimination of open parties, has changed the way Ohio Iota relaxes by forcing us to reevaluate our entire social program. But again, we are moving along nicely.

We continue our tradition as leaders on campus in everything we do and look forward to a fine showing at this years Songfest on May 16th. We are also looking forward to upcoming events with you, our alumni, especially the homecoming festivities in the fall.

We greatly appreciate any ideas or insight you may have helping to make our experience in Sigma Phi Epsilon the best it can be. Please feel free to write, call, or stop by the house.
