ALUMNI ASSOCIATION

The Alumni Association has been very hard at work this summer planning a tennis tournament and Homecoming. The membership is growing but we need your participation. If you have not yet joined, you will be able to at Homecoming. After Homecoming, the next alumni function will be the Casino Party sometime in February or March. The success of the Alumni Association depends on you. Support YOUR Alumni Association.

GRAND PRESIDENT TO ATTEND HOMECOMING

Carl O. Peterson, Grand Chapter president of Sigma Phi Epsilon, will be in attendance at this year's Sig-Ep Homecoming celebration November 1. Mr. Peterson is a practicing attorney in Hollywood, California. At our past conclave in Cincinnati, Ohio last summer, Mr. Peterson was chosen to the highest office in the fraternity. Other offices Mr. Peterson has held include the Board of Directors, Regional Director and the list goes on. We are looking forward to Mr. Peterson's visit.

ADDRESS ROUNDUP

From now until Christmas, we would like to update our Alumni Address Records. If you know of a brother not receiving our mailings, or you have moved, or if our mailings are still going to your parents address, please send us the corrected address to Jeff Sopko c/o the fraternity house.

PRESIDENT'S REPORT

It's mid-summer planning time at the Sig-Ep house and the brothers of Ohio Iota are working hard with the Alumni Association to plan the biggest and best Homecoming and Anniversary celebration ever. The atmosphere of the Sylvania Country Club and the presence of our Grand Chapter President, Carl O. Peterson, will provide a very memorable Sig-Ep reunion on November 1. Harry Kurtz a past Grand President who attended Ohio Iota's installation ceremony in 1951 will also be in attendance.

The Sig-Ep house has also been buzzing with talk of a winning Homecoming float, another profitable Haunted House, and a successful Fall Rush.

Although summer is a time when academic loads slow down, our fraternity planning and activities are still at a hectic pace.

Fraternally,

Randy McCullough
President

HAUNTED HOUSE

Once again it's time for the ghouls and goblins of Sigma Phi Epsilon to scare and terrify their victims going through the Fourth Annual Haunted House. So bring the family through the house for a time they'll never forget. The House will be open Friday, October 24-26 and October 29-31.

SONGFEST 1980

This past Spring we once again participated in Songfest. The Sig-Eps sang two songs from "West Side Story" to incorporate the theme of "Gangs". We are also very proud of our Golden Hearts second place performance of selected renditions from "Oliver". That night we placed third in Songfest, second in academics and first in campus and community involvement. We also had the honor of having our president, Randy McCullough, named as Greek Man of the Year.

SENIOR-GOLDEN HEART DINNER

Sunday, June 2, the annual Senior Golden Heart Appreciation Dinner was held in the banquet room of Dominic's. Graduating seniors honored were: Bill Flowers, Greg Machnik, Paul DeWine, Tony Sheehan and Jeff Sopko. Graduating Golden Hearts were: Deb Williams, Phyl O'Brien.

Various awards were given out and the Golden Hearts presented their annual gift to the brothers this year in the form of a microwave oven for the house. Congratulations to all.

Special thanks again is extended to Brother Rick St. John for his expertise in helping us produce this newsletter.
