Sig-Ep Homecoming Weekend Set For November 5 - 7

The 1982 Sig-Ep homecoming weekend festivities are set, and promise to continue our growing tradition of a full and exciting weekend for the alumni and active chapters. This years events, which once again will be highlighted by the dinner-dance at the Sylvania Country Club, will be expanded to make for a full and enjoyable weekend.

Homecoming dinner-dance chairman, alumni brother Jeff Barnes, has been diligently working to make this years event fun for all who attend. Brother Barnes is on record as saying "I'm expecting a turnout near 226 people in attendance this year." This would continue the upward attendance of the past number of years, including last years turnout of 162.

Awards will be presented at this years dinner to the brother who travels the furthest to attend, and to the brother with the lowest pin number. Last year, brother Hutchison traveled all the way up from Atlanta, Georgia and there were many brothers attending who pledged in the 1950's and 1960's,

so the competition should be close.

Events planned for the weekend will commence on Friday night when everyone is invited to come over to the ROTC armory and cheer on the brothers and Tri-Delts as they hopefully finish building a classic first place float.

Other weekend activities include parade watching at alumni brother Mark Mandula's house, a tailgate party before the game, Rocket football against a strong Western Michigan team, the always exciting alumni vs. active football game, and finally ending the weekend Sunday afternoon is an open house and picnic at the fraternity house.

A detailed calendar of homecoming festivities can be found inside this Red Door.

The brothers in the active chapter have planned these events with the hope of getting alumni brothers and their families together to see and renew old acquaintances and meet new ones.

Hope to see you there!

Mark Wagner
Alumni chairman

Alumni Association Needs You!

I am very excited about our Alumni Association. We have 57 dues paid members, we held a successful tennis tournament, prospects for an outstanding Homecoming Dinner-Dance are high, and we have applied to National Headquarters to receive our Alumni Association Charter.

All of these things have been or will be accomplished because of good, effective communications. They always could be better though. That's why I am asking you to let me know if you know of a Brother who is not receiving the mailings from us. You can write me at 2665 Merrimac Blvd., Toledo, OH 43606, or call me at (419) 474-1483.

I am hopeful that our Application for Charter will be approved by the National Board of Directors in time for us to have our charter by Homecoming, November 6. If it is, I have requested that it be presented to us by someone from National. I am sure you will be hearing more about this from our Homecoming Chairman, Jeff Barnes.

The Sig Ep Tennis Tournament was won by the team of Russ Ely and Chuck Schaub. The runners-up were Al Thompson and Don McGraw. Afterwards there was beer and hot dogs for everyone, plus plenty of volleyball and basketball to go around. Russ Ely chaired the tournament and did a super job. Thanks alot to Russ.

Monday, September 13, we held our quartely meeting of the Association. We had a good turnout and much was accomplished in the meeting that lasted less than one hour. A special thanks to Jim Irmen who out of the clear blue sky volunteered to be our membership chairman.

I want to presonally thank the 57 Brothers who are presently members of the Association. It is only through your strong support that I and the other officers have been able to accomplish what we have done so far. Thanks.

Don't forget that Homecoming is on November 6. The next quarterly meeting of the Association is December 6, and the Casino Party is Saturday, Feb. 5. Hope to see you at these events.

John C. Myers
Pres. Alumni Assoc.

Active Chapter Update

The Ohio Iota chapter of Sigma Phi Epsilon is working constantly to become a stronger chapter at the University of Toledo, and in the eyes of the National Headquarters.

Hard work paid off nicely last spring at the annual songfest competition. The chapter was awarded two of the three top awards. We received the Dean Parks awards for Campus and Community Involvement, and Highest Grade Point Average. These awards were capped off by the show stopping performance by the Brothers which easily won the men's division songfest trophy. While we didn't win the sports trophy, we did have a good spring winning the track meet, and placing second in softball. We are working hard to add the all sports trophy to our collection next year.

Fall quarter is as hectic as ever with the 60 returning Brothers hard at work on Rush, Haunted House, Float Sports, School, and Girls to mention just a few of the activities.

Rush chairman, Rick Hanley with the help of Social chairman, Steve Clarke have been putting on a very successful Rush program. Over 700 people attended two parties held over one weekend. The chapters goal is to find twenty-five good men to pledge this fall.

After a one year hiatus, the Haunted House is returning to our fall schedule. Chairman, Chris Croak has been hard at work since mid summe preparing ideas, laying out plans, making scenes, and getting ready for a five night run of Haunted House. The dates have been set for Oct. 27 through Oct. 31 and the price is \$1.50. Plan on attending if you can.

This years float is being built with the Delta Delta Delta sorority under the direction of chairman, Andrew Conrad. If all goes well, which means as usual, we'll hopefully have our first place winning float half way done the day before Homecoming.

Our exectutive committee has been working hard and is looking forward to seeing you at Homecoming.

James R. Schalitz
Chapter President

Sig Ep Calendar
