Chapter Involvement:

Campus Involvement:

Describe the most challenging event or series of events of your life, the circumstances, the road blocks, and the measures you took to overcome this hurdle.

Describe you future career goals.

Although the scholarship is not based on need, describe why you are seeking financial assistance.

Post College, and within five years of your graduation, would you agree to contribute a similar amount of money to the fund, in hopes of helping a future undergraduate? If not, why? If so, how much do you think an alumnus should contribute each year for scholarship?
